**No Outstanding Financial Aid Issues**
Refunds of excess aid begin the week before classes start. Direct deposit to a designated bank account is the University’s standard method for issuing refunds.

Refunds of Parent Plus Loans can also be issued via direct deposit to the borrower’s designated bank account. The Parent Plus Loan direct deposit authorization form is available to download from the Billing Office website.

Refunds for aid will be delayed if there are any unpaid charges from a prior session U-bill.
• The 1098-T is needed for taking advantage of any educational-related tax benefits.

• Reports to the IRS the amount of tuition billed in a calendar year and all gift aid.

• 1098-T will be available on MyUI by January 31st
  • A paper copy will be mailed to student’s residing address listed in MyUI.
